

OPPORTUNITY: ANDROID DEVELOPER (BRISTOL)

If you are looking for an Android Developer role in the Bristol area, with the chance to develop cutting edge technology for industry leading clients, this could be just what you are looking for!

ABOUT THE ROLE

We require a Developer with experience of developing commercial apps for Android to join our mobile team based in Bristol. You will be working on cutting edge video platforms and SDKs for a range of global clients.

AS ANDROID DEVELOPER YOU WILL:

- Design and develop libraries and applications
- Maintain existing applications and ensure they are kept up to date with the latest technologies.
- Work with a team of motivated developers to deliver maintainable solutions.

REQUIRED SKILLS:

- Commercial experience of developing Android applications (Java, Kotlin).
- Good understanding and experience with RxJava.
- In-depth knowledge and experience of version control, preferably with Git.
- Experience of unit testing/UI testing.
- The ability to write clean, maintainable code.
- Familiarity with Google's app guidelines, material design and Play Store submission process.

- Excellent communication skills, demonstrating professionalism, empathy and consideration in all dealings with clients and other staff members.

DESIRABLE SKILLS:

- Experience with Maven, Artifactory, Nexus.
- CI experience with Fastlane, Jenkins, Bamboo, Hockey, Fabric etc.
- Experience working with streaming video and/or DRM technologies such as Widevine.
- Working knowledge of the general mobile landscape, architectures, trends, and emerging technologies.
- A basic understanding of the iOS development ecosystem.
- Agile working, creating user stories, and development boards like JIRA or Pivotal Tracker.

ABOUT VUALTO:

VUALTO is a fast growing company who design, develop and deploy pioneering technology to make online video happen. We are proud to work with broadcasters and content owners throughout the UK, Europe, America and Asia and our products include: live and on-demand video delivery to multiple devices, instant Live2VOD automation, Digital Rights Management, Players and Player SDK's.

We have grown from 4 to 38 people over the past 5 years and we continue to expand our offices throughout the UK. At VUALTO you can enjoy working with a friendly, inclusive and ambitious team, with the opportunity to develop your career and be instrumental in shaping our company's future.

A work-life balance is so important to us and it's one of the reasons we are choosing to grow our team in the South West. Not only does it offer stunning beaches, countryside and a colourful metropolitan lifestyle, it's also a thriving, and ever growing tech hub. We're really proud of our company culture – it's a place where you can inspire, be inspired and really make a difference.

OTHER BENEFITS OF WORKING FOR VUALTO:

- Company pension
- Childcare vouchers
- Generous holiday package
- Perkbox membership
- Salary sacrifice bike scheme
- Flexible working hours and break times
- Relaxed dress code

LOCATION:

This role will be based in our central Bristol office.
