

## OPPORTUNITY: PROJECT TECH LEAD – VIDEO STREAMING (PLYMOUTH OR BRISTOL)

VUALTO are looking for a Project Tech Lead to work on exciting video delivery projects for our Broadcast customers.

Working with the latest streaming technology, this role encompasses software development, solutions architecture and team management.

### ABOUT THE ROLE

Reporting into the Head of Development and working within the Development team, this is an excellent opportunity for someone looking for a fresh challenge in a role that gives input to key decision making.

### AS PROJECT TECH LEAD YOU WILL:

- Be a technical authority in the Development Team and undertake hands-on coding
- Architect new software solutions and extensions to existing ones
- Be the technical lead on multiple client projects, leading development & code review activities
- Demonstrate good problem-solving skills, brainstorm troubleshooting ideas for existing and potential issues.
- Communicate effectively with clients to provide excellent support and feedback
- Ensure collaboration with other teams across the company and demonstrate a professional attitude at all times
- Provide line management to a number of less senior development staff
- Work closely with the Project Management team and Delivery Manager to determine resource requirements and to balance conflicting priorities

### REQUIRED SKILLS:

- Have at least 2 years' technical experience within the video streaming industry.
- Good understanding of streaming servers, encoding, video codecs, DRM and video players
- Ability to architect software solutions
- Good understanding of cloud based infrastructure
- Excellent skillset in at least one programming language such as C# or Ruby (but not limited to) with an excellent understanding of OOP.
- Average or better experience in another language.
- Excellent experience with some of the following. Web, .NET Core, Rest, Cloud, Docker, BDD, DDD, SOLID, multithreading, CI/CD, DevOps

## ABOUT VUALTO:

VUALTO is a fast growing company who design, develop and deploy pioneering technology to make online video happen. We are proud to work with broadcasters and content owners throughout the UK, Europe, America and Asia and our products include: live and on-demand video delivery to multiple devices, instant Live2VOD automation, Digital Rights Management, Players and Player SDK's.

We have grown from 4 to 40 people over the past 6 years and we continue to expand our offices throughout the UK. At VUALTO you can enjoy working with a friendly, inclusive and ambitious team, with the opportunity to develop your career and be instrumental in shaping our company's future.

A work-life balance is so important to us and it's one of the reasons we are choosing to grow our team in the South West. Not only does it offer stunning beaches, countryside and a colourful metropolitan lifestyle, it's also a thriving, and ever growing tech hub. We're really proud of our company culture – it's a place where you can inspire, be inspired and really make a difference.

## OTHER BENEFITS OF WORKING FOR VUALTO:

- Company pension
- Childcare vouchers
- Generous holiday package
- Perkbox membership
- Salary sacrifice bike scheme
- Flexible working hours and break times
- Relaxed dress code

## LOCATION:

This role can be based in either our central Bristol or Plymouth office.
